RICHMOND OFFICE FURNITURE

Welcome

Welcome to Richmond office furniture's 2024 - 2025 Product Catalogue!

Here at Richmond office furniture we like to make furniture easy. This is done by partnering with great customers to deliver great quality products with great service.

Discover elegance, functionality, and craftsmanship at its finest with our exclusive range of commercial furniture solutions. Whether you're furnishing a cozy café, a bustling restaurant or a sleek office space we have curated designs to meet all the commercial grade specifications. From timeless classics like the Albury range to modern innovations being released throughout the year, each piece is manufactured and sourced with precision and designed with commercial durability in mind.

At Richmond office furniture, we pride ourselves on offering tailored services to enhance your product selections and elevate their uniqueness. Our custom upholstery and precision powder coating services ensure each piece meets your exact specifications, while our assembly service simplifies your workflow.

In addition to our bespoke services, we provide comprehensive digital resources for every product in our catalogue. From technical data sheets to detailed assembly instructions and videos, as well as care and maintenance manuals and product finish booklets, we equip you with everything you need to confidently buy and sell Richmond office furniture products.

Cairo

Luxor

Macau

Trump

Introducing our gaming stool collection, featuring four distinct designs with interchangeable bases. Built for comfort and durability, these sturdy stools include a heavy-duty non-return swivel mechanism. Available in standard vinyl black, they can also be custom upholstered for indent project orders.

With the exception of the Macau model, each stool includes a convenient handle for easy mobility and use. Our latest addition, the Trump model, stands out as the only gaming stool in our range equipped with armrests, adding to its appeal and functionality.

Cairo

The Cairo gaming stool, designed for both style and functionality. Featuring an angular oval-shaped backrest, this stool is available in sleek all black or a striking combination of black with a polished stainless steel disc base. Alternatively, opt for the stability of a black 4-leg base.

Equipped with a convenient handle integrated into the backrest, the Cairo stool offers ease of mobility and use. Whether enhancing a gaming setup or adding flair to a modern interior, the Cairo gaming stool blends contemporary design with practicality for a versatile seating solution.

The model presented features the Disc leg frames in Polished Stainless Steel, Vinyl shell fabric, the Black colour

Trump

The Trump gaming stool, the pinnacle of comfort and style in gaming furniture. Designed with ergonomic armrests and a rounded square-shaped tub design, the Trump stool ensures unparalleled support during intense gaming sessions or leisurely use.

Available exclusively with a handle integrated into the backrest for effortless maneuverability, the Trump stool is offered in two elegant options: a sleek all-black finish for a modern aesthetic, or a sophisticated brushed brass disc base to elevate any gaming or living space. Ideal for both functionality and aesthetics, the Trump gaming stool combines ergonomic design with premium materials, making it a standout choice for discerning gamers and enthusiasts alike.

RICHMOND OFFICE FURNITURE

Fabrics

Warwick fabrics is one of the world's leading fabric and textile wholesalers providing premium quality materials to industry specialists since 1966.

This is why Richmond office furniture has built a strong relationship with them to supply all fabric for our upholstered products.

These fabrics include Gravity, Pelle, Benito, Eastwood and Regis. This partnership allows us the opportunity for cheaper list rates as well as the ability for us to order fabric for you for your next custom upholstery project.

Coatings

We offer a large range of both Dulux and Interpon colour ranges producing high quality outcomes. The lead time on powder coating is usually 7 - 14 days depending on the quantity ordered.

Our standard pricing is based on stocked colours listed in the resources document. If your colour isn't in the document, check with us as sometimes we can access other powders, however prices will differ.
